

Appln. No. 10/615,342
Amdt. dated April 28, 2006
Reply to Office Action of March 28, 2006

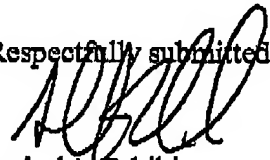

PATENT

REMARKS/ARGUMENTS

In the Amendment filed in response to the Office Action of December 1, 2005, certain limitations, set forth by the Examiner in the subsequent Office Action of March 28, 2006, were inadvertently omitted from claims 75 and 76. The omitted texts were present in the Amendment of October 4, 2005. Applicants discussed these inadvertent omissions with the Examiner in a telephone interview, during the course of which the Examiner proposed that the Applicants amend claims 75 and 76 to include the omitted texts in an amendment. Applicants thank the Examiner and have amended Claims 75 and 76 above to include these omitted texts.

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested. If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at (650) 752-2424.

Respectfully submitted,
